Dear Minister Darcy and Minister Dix:

RE: Letter of Support: The Bridge – Youth and Family Services

On behalf of Vernon City Council, I write to express our support for local addiction services for youth diagnosed with substance or alcohol mis-use disorder.

Our Council encourages the Ministries of Mental Health & Addictions and Health to continue your support to youth in need and that services be provided at a local level. Community based services that respond to youth in need and who struggle with addictions would improve overall community safety and the sense of caring for the younger members of our City.

Thank you for your consideration.

Sincerely,

Victor I. Cumming
Mayor
